Rowan Storm is recognized internationally for her innovative Frame Drum designs, mastery and broad knowledge of Middle Eastern hand drumming, music and culture. With her Thinline Frame Drum by Remo, Rowan is pioneering a revolutionary symmetrical training method promoting wellness, creativity, and rapid drumming competency. As both hands and both brain hemispheres become equal partners in creative expression, the rational is balanced with the intuitive. Rowan studies Drum Circle Facilitation with the legendary Arthur Hull. [www.rowanstorm.com](http://www.rowanstorm.com)
